

# Physics & Astronomy Exterior Door Access AGREEMENT

Only current Physics majors that have successfully completed Modern Physics I (3070 or 3100) are eligible for exterior door access.

In order to be granted card swipe access for the exterior doors of the Wisser-Davis complex, you must read the following statements and indicate your agreement by initialing each entry. You agree to:

(Initial)

1. Keep exterior doors locked to maintain security of the building and **never prop open or otherwise attempt to defeat the door locking mechanisms.** \_\_\_\_\_
2. Admit only yourself and other current physics majors– **and no one else** – into the building, and only for the purpose of carrying out university-related activities. \_\_\_\_\_
3. Use/access only the Physics-owned spaces in Wisser-Patten, and not facilities in the Davis Science Building. \_\_\_\_\_
4. Report any equipment/facilities problems immediately, and contact a department staff member in the event you have concerns about the security or safety of the facility. \_\_\_\_\_

**Breaking any aspect of this agreement will result in revocation of your exterior door access.** \_\_\_\_\_
